If you are arriving in Budva a few days prior to the tour departure, you can book additional nights with us, at the same hotel.

Day 1 Arriving to Montenegro

Upon arrival at the airport of your choice, an enjoyable ride with staggering viewpoints waits for you. Accompanied by your guide, you will get the first glimpse at this Mediterranean country during a scenic ride to your hotel. The intervening landscapes of old times' architecture and contemporary lifestyle will introduce you to the diversity of this small, yet imposing country.
Overnight: Budva or Tivat.

Day 2 Traditional Wine Tasting – Virpazar - NP Skadar Lake with Boat Ride – Besac Fortress

Breakfast. For the first full day here, we have prepared an experience to remember during which you will have the opportunity to taste some of the finest wines of Montenegro and enjoy the picturesque nature of Skadar Lake National Park. First, we will visit a family-owned winery in the heart of the Montenegrin signature wine region of Crmnica. This adventure will be rounded off by enjoying a wine tasting and comparing different types of wine aged in large barrels, and benefitting from the expertise and knowledge of the resident winemaker. The fishing village of Virpazar is a departure point for a boat ride on Skadar Lake. As you glide through the mirroring water, the numerous lake's attractions reveal extraordinary birds, the water lilies in full bloom, and wild, secluded beaches. Skadar Lake has an area ranging from 370 to 530 square kilometers, depending on the water level, and it is the biggest lake in the Balkans. An opportunity to reflect on the day behind will be given to you at the recently reconstructed 15th-century fortress. The stunning ambiance of Besac Fortress is the

place where you can learn more about the history of this region and have a tasty lunch break. Here, your wine journey continues, as you can also enjoy a selection of wines produced in this region with a unique microclimate.

On our way back to the hotel, we will make a short stop above the charming St. Stefan islet, where you will have the opportunity to take the best photo of your stay in Montenegro. **Overnight: Budva or Tivat.**

Day 3 NP Lovćen Mountain: Gastronomy, History & Culture

After breakfast, we are going up to the Lovćen massif area. Right there, high above and behind those hills, Montenegrin history begins and ends in the very same place. First stop for the day is the Old Royal Town of Cetinje, in which you will learn about the Petrović Njegoš dynasty and the history of our country.

The National Park Lovćen encompasses the central and the highest part of the Lovćen massif, covering an area of 6.400 hectares. On top of one of the mountain's two imposing peaks, lies a magnificent mausoleum – the tomb of Montenegro's greatest person in history: Petar II Petrović Njegoš. It takes 461 steps to climb to reach but it is a steep journey well worth the effort. At the very top, you will be rewarded with a spectacular viewpoint from the world's highest mausoleum.

Afterward, we continue to Njeguši, the village known as the birthplace of the royal dynasty Petrović and a 'guardian' of the authentic architecture and cuisine in the region. Njeguški sir and pršut (cheese and prosciutto of Njeguši), a real treat for true foodies, are both genuine contributions to Montenegrin cuisine, produced only in this area, following the traditional recipe for smoking and curing meat.

Finally, the stunning view of the Boka Bay will leave you in awe, while driving down the old, Austro Hungarian 25-serpentine-road. At first very rough and steep, but they actually symbolize a love tribute to the former Queen of Montenegro – Queen Milena, as they form the first letter of her name – "M".

Use free evening and try out some of the finest Montenegrin wines, made from the authentic red grape variety Vranac, as well as some organic honey, figs, and a homemade spirit called rakija. It is highly recommended to enjoy these delicacies at the konoba - a small, traditional restaurants owned by local families, a true essence of Montenegrin's warm hospitality and friendship. **Overnight: Boka Bay.**
